

## The Encore Rocks On: Rock Band 2

Well, if you didn't get bloody fingers and deaf ears the first time around, the writers of one of the best interactive games of all-time have brought back a golden hit with more power. Rock Band 2 is here to take stage on all platforms (PS3, xBox360, Wii) and is sure to make the same rattling waves as the original Rock Band has. More than a hundred songs exist within this next series of rock-n-roll mania, so you'd better check into this sequel installation.

### Product Description:

#### Continue Your Rock and Roll Fantasy

Rock Band 2 lets you and your friends take your band on an even more expansive and immersive world tour - in person or online - and continue your rock and roll fantasy.

Harmonix, deliver Rock Band 2, the next step to the platform that lets audiences of all ages interact with music in an all-new way. Rock Band 2 lets players vicariously jam out as some of the best guitarists, bassists, drummers and singers of all time.

Featuring a track list with more than 100 on-disc and downloadable tracks from some of the most hallowed bands of the rock pantheon, Rock Band 2 by challenges rockers to master lead guitar, bass guitar, drums and vocals.

### Key Features

- Take your band on an online-enabled World Tour mode, record albums, tackle the addictive Set Challenges, or even compete against other bands, either in your living room or halfway across the world, in the "Battle of the Bands" mode... plus all of the modes you know and love from the first Rock Band game!
- Compatible with ALL past and future downloadable content - even tracks you downloaded for Rock Band back in 2007 - so you can play a never-ending, face-melting set.
- Rock Band 2 pushes music simulation farther than it's ever gone with a tool that actually teaches you how to play the drums in real life - or you can just have fun jamming and playing along to songs like an animal in the Freestyle Drum mode.
