

Transformers - The Movie 20th Anniversary Edition DVD

If you're anything like me, you can't wait for the sequel to the recently released Transformers movie that is making waves in box offices across the nation. The recent movie opened with stunning success and leaves the audience begging for another Bay Blitzkrieg. Well, we are all in the same boat, so we may as well look back to our roots for pacification. Enter The Transformers - The Movie (20th Anniversary Special Edition) DVD. If you have already seen this movie, then you know how much you love it. If you have not, then there is a wonderful background story inside that serves as the capstone for the old 1980s TV animated series of Transformers.
